Fighting vs. Eliminating a Threat

- No Gloves, Tape, or Padding
- No Medical Care or Recovery Time Before Your Next Flight
- No Referee Stoppages
- No Trading Blows
- No Rules

SurviveInPlace.com/targetfocustraining

When your life depends on your choice, do you want to wrestle or trade blows with a bigger, stronger, faster opponent when they're at their peak or when they're unable to defend themselves?

Targets for Dirty Strikes

- Scratch or Poke Eyes
- Forearm Through Throat
- Vasovagal (side of neck) Strike
- Groin
- Bladder
- Knee
- Limited Options are Good! Look for the Closest Target and Attack.

In a Life vs. Death Situation, NEVER Simply Strike These Targets!

Strike 1-2 Feet BEYOND Your Target

You Should End Up Standing Where They Were

Same Targets & Fundamentals Work With Blades & Impact Weapons

The Goal Isn't To Get Them To Change Their Mind About Attacking You...

It's To Take Them To Non-Functional So They CAN'T Keep Attacking You
